

ni-msme – the premier Institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison d'être of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension.

Set up in 1962, **ni-msme** has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute's expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, **ni-msme** is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The core activities are being implemented through four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management (SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCD), Intellectual Property Facilitation Centre (IPFC), Resource Centre for Traditional Paintings (RCTP) and Goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained **4,62,393** participants by organizing **14,034** programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967 and trained 9,450 International Executives from **142** developing countries. The Institute has also undertaken 909 research and consultancy projects.

In the international arena too **ni-msme** has been offering its services to many of the world's best-known organisations. Faculty Development Programme in Entrepreneurship Development

8 -12 October 2018

INTRODUCTION

Creating awareness of business opportunities, supporting potential entrepreneurs and assisting them in sustaining their enterprises is a major concern of agencies involved in accelerating economic development through entrepreneurship. Training these potential entrepreneurs is a crucial intervention in the whole process, a fact that, fortunately, is recognized by most of the agencies concerned with enterprise promotion. However, an analysis of the variety of training programmes for entrepreneurs all over the world revealed that the package of training interventions often lack certain important elements, thus reducing the impact of training on the potential entrepreneurs resulting in high dropout and or low rate of success of entrepreneur. While the need for training is ever increasing, the paucity for effective trainers in entrepreneurship development is widely evident in many of the developing countries.

A Faculty Development Programme (FDP) is designed to train and develop professionals in entrepreneurship development so that they can act as resource persons in guiding and motivating young persons to take up entrepreneurship as a career. For each FDP, there are 20 -25 faculty members and Entrepreneurship Development Organizations are trained for duration of one weeks. The FDPs provide inputs on process and practice of entrepreneurship development, communication and inter-personal skills, creativity, problem solving, achievement motivation training, inputs on resource and knowledge industries.
