

ni-msme - the premier institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison d'être of this Institute is to assist the Government in formulating policies for micro, small and medium enterprises and to help the practising and potential entrepreneurs through a host of services like training, research, consultancy, information, education and extension. The Institute is a training ground for senior technocrats, bureaucrats and bankers who come here to gain expertise and knowledge in order to equip themselves with the latest practices and streamline their operations.

Set up in 1960, **ni-msme** has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling other developing countries to get the benefit of the Institute's facilities and expertise. **ni-msme's** activities are changing from time to time to meet the needs of enterprises in the context of globalisation.

Located in a sprawling and enthralling campus amidst a rich natural setting, **ni-msme** is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its SENDOC.

ni-msme has made many significant contributions towards enterprise promotion both nationally and internationally. Some of **ni-msme's** recent outstanding contributions include Orientation workshop for Industry Members of IMCs, under the scheme "Upgradation of 1396 Government ITIs through PPP", sponsored by the DGE&T, Ministry of Labour & Employment, Govt. of India (2014), Mid Career Programme on MSME Promotion, sponsored by Directorate of Industries & Commerce, Govt. of Kerala (2014), Product Identification and Preparation of Low Investment Project Profiles, sponsored by the Directorate of Micro & Small Scale Enterprises, Govt. of West Bengal (2014), Entrepreneurship Development Programmes in Food Processing, sponsored by AP Food Processing Society (APFPS), Govt. of Andhra Pradesh (2014), Executive Development Programme, sponsored by National Thermal Power Corporation (NTPC) Ltd, Govt. of India (2014), Outreach and Skill Development Programme in Food Processing, Sponsored by NIFTEM, Ministry of Food Processing, Government of India (2014), Marketing and Branding of Clusters for KVIC Officers, Sponsored by KVIC, Govt. of India (2014), Workshops, Sponsored by DSIR, Ministry of Science & Technology, Govt. of India (2014), IPR Challenges & Prospects, Sponsored by DC (MSME), Ministry of MSME, Govt. of India (2015) and Basic Orientation Programme on Management, Monitoring & Implementation of MSE-CDP, Sponsored by the Directorate of Micro, Small and Medium Enterprises, Govt. of West Bengal (2015). The Institute has contributed several research and consultancy services in MSME area, apart from training.

The management of the Institute rests with the Governing Council appointed by the Government of India. The governing body acts through the resident Director General. The present Director General is **Shri M. Chandrasekhar Reddy**

**One Day Workshop on
Industrial Hazardous Waste Management in SME Sector
28 March 2017**

INTRODUCTION

Industrial waste Management (IWM) constitutes a serious problem in many third world Cities. Most cities do not collect the total wastes generated, and of the wastes collected, only a fraction receives proper disposal. The insufficient collection and inappropriate disposal of Industrial wastes represent a source of water, land and air pollution, and pose risks to human health and the environment. Over the next several decades, globalization, rapid urbanization and economic growth in the developing Metropolitan Cities tend to further deteriorate this situation.

The workshop deals with various topics related with Industrial waste such as, its Types, Method of Handling, Transportation, Collection, Treatment etc. Also the workshop highlights the advantages and disadvantages of recycling, reusing, land filling, incineration process, composting and transportation etc.

OBJECTIVE OF THE WORKSHOP

The main objective of workshop is to sensitize the Stakeholders on various management issues relating to Industrial Waste Management in SME Sector.

The workshop is aims at :

- To understand and address the Existing Environmental Problems.
- To familiarize the rules and regulations of Industrial Waste Management and their Impact.
- To Create Public Awareness on Industrial Waste Management.
- To increase the involvement of people and private sector to improve the efficiency of Industrial Waste Management.
