

ni-msme - the premier Institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison d'être of this Institute is to assist the Government in formulating policies for micro, small and medium enterprises and to help the practising and potential entrepreneurs through a host of services like training, research, consultancy, information, education and extension.

Set up in 1962, **ni-msme** has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling other developing countries to get the benefit of the Institute's facilities and expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, **ni-msme** is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The core activities are being implemented through four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management (SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCD), Intellectual Property Facilitation centre (IPFC), Resource Centre for Traditional Paintings (RCTP) and goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4, 94, 928 participants by organizing 14, 826 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2016-17. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967 and trained 9, 817 International Executives from 142 developing countries till March 2018. The Institute has also undertaken 938 research and consultancy projects.

The management of the Institute rests with the Governing Council appointed by the Government of India. The governing body acts through the resident Director. The present Director is Dr. Sanjeev Chaturvedi.

Strategies for Development of Dairy Enterprises (28 - 30 Nov 2018)

INTRODUCTION

Commercial and small scale dairy farming in India is no doubt playing an important role in the total milk production and economy of our country. And almost all regions of India are suitable for setting up dairy farming business. Most of the dairy farmers in India are raising animals in small scale traditional methods. This calls for creating access to affordable management training and other business development services for these enterprises.

Entrepreneurship Development and Making small business management trainings available at a massive scale has been a mainstay of National Institute for Micro, Small and Medium Enterprises (**ni-msme**) support for MSME development over the past 55 years in India and other countries. Through a wide range of tools for Entrepreneurship Development, business management training and business services development, the **ni-msme** has helped build entrepreneurship in about 150 countries.

The **ni-msme** assists governments, employers' and workers' organizations, and other institutions in scaling up management training and establishing support systems to address the needs of MSMEs. Over the years, it has developed substantial expertise, a global network, tools and experience.
