Mrs. T. Shiva Kumari has been into social service and helping various women in and around Hyderabad. Her First association with ni-msme was 3rd June 2017 when she participated in a one day workshop called “Management of a MINI Super Market”. After getting flavor of self-employment ventures, she approached bank and came to know about requirement of Project plan and bankable project ideas. In view of the same, she united 40 more ladies and requested ni-msme to conduct a customize Training Programme on Management of a super market. Thus Three days full length Entrepreneurship Development Programme on Management of a Mini Super Market was conducted for Beneficiaries of STAND UP INDIA For Establishing Super Market. This programme was held during 8-10 November 2017. Immediately after this she not only became entrepreneur abut also motivated 100s of other ladies. She has been awarded at various occasions in and around AP and Telangana.

Mission: To educate and empower 10 million women and help them in transforming their lives by training, inspire and motivate them to become a successful business entrepreneurs.

She got Seva Ratna Award from BC Welfare Commission, Babujajeevanram award by Bharateeya Dalita Sahitya Academy and Srreshakti Puraskar by Keerthi Arts Academy.

Mrs. Humera Nausheen has done her B-Tech. She could rightly be called as a lady born to become an Entrepreneur and not just a job seeker. Her First association with ni-msme was when she attended the long duration programme the PD-DEED during 2018-19. She also participated in various seminars at ni-msme that could support her quest to become a successful entrepreneur. She has also participated in the Incubation Training from MANAGE in 2019. She got PMEGP loan of 15 Lakhs approved by MSME. Initially she started helping father in his endeavors for Mushroom as Medicinal resource. Slowly she not took over as COO of Doctor Mushroom but also helping other ladies to adopt self-employment ventures. She is also undertaking online Digital Classrooms with Demonstration Setup Offering smart classes to setup for mushroom demonstration for cultivation.

She is awarded Grant of 15 Lakhs under RKVY Raftaar scheme, a flagship Agrientrepreneurship development program of the Ministry of Agriculture and Farmers Welfare, Government of India, implemented by the National Institute of Agricultural Extension management (MANAGE) and partner institutions. She is also a mentor at We-Hub.
Prof Mahalakshmi V Reddy is M.Sc Ph.D in Home Science by education. At ni-msme, she attended an IPR workshop and later became IPFC member. She experimented on her own and acquired innovation of a unique technique of preserving flowers and making ornamental pieces.

Other skill trainings she has are of preserving flowers technologies, USA. She believes her retirement was an opportunity to pursue research at own lab and run an enterprise. As an outcome she established an enterprise called Lyo Florals, It is a micro-enterprise established in 2016, it’s a premier Freeze-drying Flower Preservation Company in India. Here flowers are processed through Lyophilisation process that is ideal for memorable gifts for any occasion.

She says that management of an enterprise is a challenging job. Experience refines the quality of management. Dedication, passion and perseverance are the underlying qualities for achieving the goals. She has registered trademark for her product through IPFC, ni-msme and the patent for preservation process is under process.

As future plan she wants to expand her business.
Mrs. Shubangi Tammalwar has been into her business endeavors right after she completed her B.Sc. Home science and M.Sc in Dietic Food Service management. She has been a Certified sports Nutritionist.
